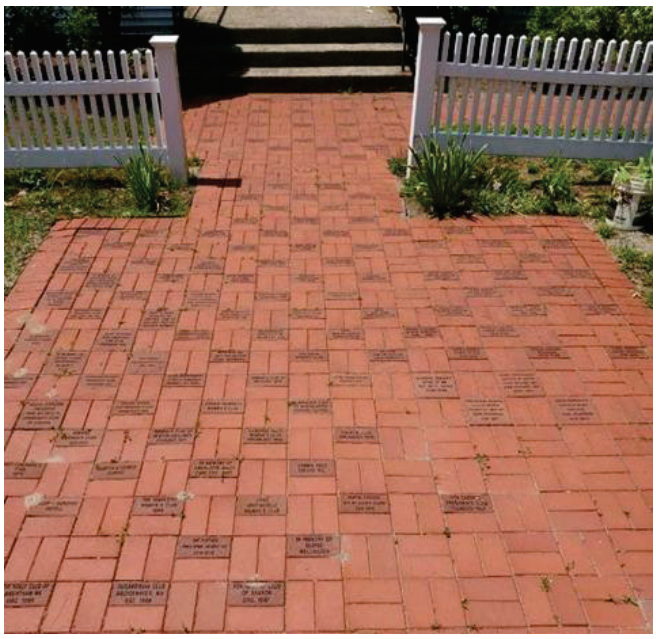
UNITY WALKWAY – Personalized Bricks



The Memorial Forest and Building Committee encourages all members to tell their story and memorialize it in a personalized brick. The brick walkway in front of our Headquarters Building is a legacy that honors our leaders and remembers our friends. This walkway began in 19?? and continues to grow each year.

To purchase a brick, fill out the form, make a check payable to GFWC MA and mail it to the PO Box, attention Unity Walkway. Once your brick has been returned by the vendor and added to the Unity Walkway, we will notify you of its installation. All bricks will be placed randomly throughout the walkway. In you need additional information, email HQSecretary@gfwcma.org.
