From President T Jablanski
Good Evening Ladies,

I have finally found some time to say "hi" to all of you and thank you once again for your support of our first **\$\$\$\$ Hundred X fundraiser \$\$\$\$**. **Close to \$12,000.00** was raised and I am just over the **moon** with appreciation for your support. There will be more details including the \$75 gift certificate winners in January.

Did you get your copy of **TOPICS** ?

I just love the club pictures and all of the great information and advice that is shared in this issue. Isn't **Darlene Coutu** just a terrific editor? She does such a great job putting together our state newsletter. Didn't receive it? Please let me or Darlene know, and we will be sure to send one along to you.

Katie Robey your treasurer has also been busy sending out the **club dues bills** and receiving the club **End of Year contribution forms**. If you have any questions about either, please be sure to contact Katie.

Donna Shibley, our webmaster, has been clicking away updating our website with the most current information and forms. Thank you Donna for your time and talent!!

I am happy to report that the HQ committee and myself have completed the Mass Save contract form necessary for us to have all of the lighting units, and elements in and on our building updated with new state of the art LED lighting. We are excited about this project and waiting to hear from the contractors so we can set up the installation date/s in January.

It's been a busy few months and we have accomplished so much. I am looking forward to relaxing for a few days before the new year rings in.

I wish you all the blessing that the holidays bring.

Safe travels to you Santas out there!

Be sure to take care of YOU!

Love & Peace,
T
